To day every country is Going to be independent

World Wide Nationalism.

They are not going to be bowing Down and Paying Dues to a Control Mechanism by a group.

And Each Country will chose its own terms and Mode of payment.

And the Queen will be no wiser in this.

And her living off our substance is over.

Should We as independent sovereign People be doing the same between each other.

“Mostly, Trump’s Invocation of nationalism is yet another invitation for Americans to divide themselves over its true meaning and his use of it.

Here’s how John Breuilly, a professor of nationalism at the London School of Economics, summarizes nationalist belief in his book, “Nationalism and the State”:

1. There exists a nation with an explicit and peculiar character.
2. The interests and values of this nation take priority over all other interests and values.
3. The nation must be as independent as possible. This usually requires at least the attainment of political sovereignty.

That definition appears to sum up Trump’s political philosophy.
